WEEKLY AVERAGES FROM PRACTICE

STAT	PRE-A10	A10
FG%	35.2%	31.2%
POINTS PER SHOT	0.809	0.682
AST/TOV	1.0	0.5
AST/FGA	0.265	0.169

- Not a lot of practices since A10 play started
- Overall no glaring changes in production in practice
- Biggest improvements come from 2pt effectiveness in game
- Has been shooting less from 2pt though, and more from 3pt in practice
