 - Does not do much, 66% of spot up shots are 3pt
 - Dribbling into jumper 42.5% of jump shots, shoots very efficiently off dribble
- Average in **transition**, does not get to FT line well
- Uses **P&R BH** a lot, overall pretty efficient
 - Score similar PPG in wins v. losses despite high scoring variance throughout games
- Shoots a lot of **ORB Put Backs** but is not efficient
 - Slightly below average at getting to FT line off it
- Average use of **Post Up** but very efficient
- Very efficient off **Cuts**
 - Weak FT Att rate

- Allows average number of **spot up** shots, defends them pretty well
- Overall average **transition** defense, does not foul much or cause too many turnovers
- Faces a lot of **P&R BH**, causes most turnovers here
 - Allows 11.2 PPG off P&R BH in Losses, compared to 6.4 in Wins
 - Good at not fouling here
- Extremely bad at guarding **Post Up**
 - Does not face a lot
 - Of 5 games with most **Post Up** points allowed, 2 resulted in loss
 - 9.8 PPG, we average 11.6 over last 7 games
- Very strong defending **Cuts**
- Very weak at defending **ORBs** and **Off Screens**
 - Our efficiency for both are very good
